It's been about a year now, ain't seen or heard from  
you

I been missing you crazy  
How do you, how do you sleep?

The letter you wrote me it still smells just like you  
Ya, those sweet memories  
How do you, how do you sleep?  
How do you sleep?

Tried my best at moving on  
Have yet to find a girl like you  
See things that I didn't before  
Now I'm wishing I had more time with you

How do you stay awake  
Knowing all I do is think of you?  
All the things we thought about that never will happen  
again  
I can just see you

If I had my way, I'd come and get ya, girl  
In your favorite car with the missing top  
Remember around my way where we used to walk  
And did all those things to steal your heart

It's been about a year now, ain't seen or heard from  
you

I been missing you crazy  
How do you, how do you sleep?

The letter you wrote me it still smells just like you  
Ya, those sweet memories  
How do you, how do you sleep?

It's been about a year now, ain't seen or heard from  
you

I been missing you crazy  
How do you, how do you sleep?

The letter you wrote me it still smells just like you  
Ya, those sweet memories

How do you, how do you sleep?  
How do you sleep?

It's been about a year now, ain't seen or heard from  
you  
I been missing you crazy  
How do you, how do you sleep?

The letter you wrote me it still smells just like you
