Step one, you say, we need to talk  
He walks, you say, sit down, it's just a talk  
He smiles politely back at you  
You stare politely right on through

Some sort of window to your right  
As he goes left and you stay right  
Between the lines of fear and blame  
And you begin to wonder why you came

Where did I go wrong? I lost a friend  
Somewhere along in the bitterness  
And I would have stayed up with you all night  
Had I known how to save a life

Let him know that you know best  
Cause after all, you do know best  
Try to slip past his defense  
Without granting innocence

Lay down a list of what is wrong  
The things you've told him all along  
Pray to God he hears you  
And pray to God he hears you

And where did I go wrong? I lost a friend  
Somewhere along in the bitterness  
And I would have stayed up with you all night  
Had I known how to save a life

As he begins to raise his voice  
You lower yours, grant him one last choice  
Drive until you lose the road  
Or break with the ones you've followed

He will do one of two things  
He will admit to everything  
Or he'll say he's just not the same  
And you'll begin to wonder why you came

Where did I go wrong? I lost a friend  
Somewhere along in the bitterness

And I would have stayed up with you all night  
Had I known how to save a life

Where did I go wrong? I lost a friend  
Somewhere along in the bitterness  
And I would have stayed up with you all night  
Had I known how to save a life

How to save a life  
How to save a life

Where did I go wrong? I lost a friend  
Somewhere along in the bitterness  
And I would have stayed up with you all night  
Had I known how to save a life

Where did I go wrong? I lost a friend  
Somewhere along in the bitterness  
And I would have stayed up with you all night  
Had I known how to save a life, how to save a life
