We're driving slow through the snow on 5th Avenue
And right now radio's all that we can hear
And we ain't talked since we left, it's so overdue
It's cold outside but between us it's worse in here

The world slows down but my heart beats fast right now
I know this is the part where the end starts

I can't take it any longer, thought that we were stronger
All we do is linger, slipping through my fingers
I don't wanna try now, all that's left's goodbye to
Find a way that I can tell you

I hate this part right here, I hate this part right here
I just can't take your tears, I hate this part right here

Everyday, seven takes of the same old scene
Seems we're bound by the laws of the same routine
Gotta talk to you now 'fore we go to sleep
But will we sleep once I tell you what's hurting me?

The world slows down but my heart beats fast right now
I know this is the part where the end starts

I can't take it any longer, thought that we were stronger
All we do is linger, slipping through our fingers
I don't wanna try now, all that's left's goodbye to
Find a way that I can tell you

I hate this part right here, I hate this part right here
I just can't take your tears, I hate this part right here

I know you'll ask me to hold on and carry on like
nothing's wrong
But there is no more time for lies 'cause I see sunset in
your eyes

I can't take it any longer, thought that we were stronger
All we do is linger, slipping through our fingers
I don't wanna try now, all that's left's goodbye to
Find a way that I can tell you
I gotta do it, I gotta do it, gotta do it

I hate this part right here, I hate this part right here
I just can't take your tears, I hate this part right here
