Another day is going by
I'm thinking about you all the time
But you're out there
And I'm here waiting

And I wrote this letter in my head
'Cause so many things were left unsaid
But now you're gone
And I can't think straight

This could be the one last chance
To make you understand

I'd do anything
Just to hold you in my arms
To try and make you laugh
Somehow I can't put you in my past

I'd do anything
Just to hold you in my arms
Will you remember me?
'Cause I know I won't forget you

Together we broke all the rules
Dreaming of dropping out of school
And leave this place
To never come back

So now maybe after all these years
If you miss me, have no fear
I'll be here
I'll be waiting

This could be the one last chance
To make you understand
And I just can't let you leave me once again

I'd do anything
Just to hold you in my arms
To try and make you laugh
Somehow I can't put you in my past

I'd do anything
Just to hold you in my arms
Will you remember me?
'Cause I know I won't forget you

I close my eyes
And all I see is you
I close my eyes
I try to sleep, I can't forget you
And I'd do anything for you

I'd do anything
Just to hold you in my arms
To try and make you laugh
Somehow I can't put you in my past

I'd do anything
Just to hold you in my arms
Just to hold you in my arms
My arms, yeah

I'd do anything
Just to hold you in my arms
I'd do anything
There's nothing I won't do
I'd do anything
Just to hold you in my arms
