Your subtleties, they bother me
I can't explain myself at all
And all the wants and all the needs
All I don't want to need at all

The walls start breathing, my minds unweaving
Maybe it's best you leave me alone
A weight is lifted on this evening
I give the final blow

When darkness turns to light
It ends tonight, it ends tonight

A falling star, 'least I fall alone
I can't explain what you can't explain
You're finding things that you didn't know
I look at you with so much pain

The walls start breathing, my minds unweaving
Maybe it's best you leave me alone
A weight is lifted on this evening
I give the final blow

When darkness turns to light
It ends tonight, it ends tonight
Just a little insight won't make this right
It's too late to fight
It ends tonight, it ends tonight

Now I'm on my own side
It's better than being on your side
It's my fault when you're blind
It's better that I see it through your eyes
All these thoughts locked inside

When darkness turns to light
It ends tonight, it ends tonight
Just a little insight won't make this right
It's too late to fight
It ends tonight, it ends

When darkness turns to light

It ends tonight, it ends tonight
Just a little insight won't make this right
It's too late to fight
It ends tonight, it ends tonight

Tonight, insight
When darkness turns to light
It ends tonight
