I've been looking under rocks and breaking locks  
Just tryna find ya  
I've been like a manic insomniac  
5 steps behind you  
Tell them other girls, they can hit the exit  
Check please...  
Cause I finally found the girl of... my dreams  
Much more than a Grammy award  
That's how much you mean to me  
CHORUS  
You could be my it girl  
Baby you're the it girl  
Hang with me weâ€™ll be just fine  
Crazy how we fit girl  
This is it girl  
Youâ€™re bringing so much to my life  
I just wanna dance all night long  
And put you in the middle of my spotlight  
You could be my it girl  
You're my biggest hit girl  
Let me play it loud  
Let me play it loud like... oh oh oh oh  
Let me play it loud  
Let me play it loud like... oh oh oh oh  
Let me play it loud  
You can't help but get ahead  
Knockin' them dead  
Dropping like flies around you  
If I ever get you close not letting go  
Hoping you're about to  
Tell them other guys they can lose your number  
You're done!  
They don't get another shot cause you're in love  
Like a TV show playing reruns  
Every chance I get, show â€™em how  
[Chorus]  
[Bridge]  
Can't seem to stop you from... running, running  
Through my, through my mind, mind  
Just keep it coming, coming  
Til I make you mine, mine  
You've got that something, something

I wanna be with girl  
You're my greatest hit girl  
Just say this is it girl...  
Hey baby...  
Don't you know you're my it girl  
[Chorus]
