I was thinking about her  
Thinking 'bout me  
Thinking 'bout us  
What we gonna be?  
Open my eyes, yeah  
It was only just a dream

So I drive on back  
Down that road  
Will she come back?  
No one knows  
I realize, yeah  
It was only just a dream

I was at the top and now its like I'm in the basement  
Number one spot, now she find her a replacement  
I swear now I can't take it  
Knowing somebody's got my baby

Now you ain't around, baby I can't think  
I shoulda put it down, shoulda got that ring  
'Cause I can still feel it in the air  
See her pretty face, run my fingers through her hair

My shawty, my wife  
My shawty, my life  
She left me, I'm tied  
'Cause I knew that it just ain't right

I was thinking about her  
Thinking 'bout me  
Thinking 'bout us  
What we gonna be?  
Open my eyes, yeah  
It was only just a dream

So I drive on back  
Down that road  
Will she come back?  
No one knows  
I realize, yeah  
It was only just a dream

When I be riding man I swear I see your face at every  
turn  
Trying to get my usher on but I can let it burn  
And I just hope she know that she the only one I yearn  
for  
No more will I miss her, when will I learn?

Didn't give her all my love  
I guess now I got my payback  
Now I'm in the club thinking all about my baby  
Hey, she was so easy to love

But wait, I guess that love wasn't enough  
I'm going through it everytime that I'm alone  
And now I'm wishing wishing she'd pick up the phone  
But she made a decision that she wanted to move on  
'Cause I was wrong

I was thinking about her  
Thinking 'bout me  
Thinking 'bout us  
What we gonna be?  
Open my eyes, yeah  
It was only just a dream

So I drive on back  
Down that road  
Will she come back?  
No one knows  
I realize, yeah  
It was only just a dream

If you ever loved somebody put your hands up  
If you ever loved somebody put your hands up  
And now they're gone and you wish  
You could give them everything

I was thinking about her  
Thinking 'bout me  
Thinking 'bout us  
What we gonna be?  
Open my eyes, yeah  
It was only just a dream

So I drive on back  
Down that road  
Will she come back?  
No one knows  
I realize, yeah  
It was only just a dream
