Yeah

I've been waiting all day for ya, babe  
So won't cha come and sit and talk to me  
Tell me how we are gonna be together always  
Hope you know when it's late at night  
Hold on to my pillow tight  
And think of how you promised me forever

I never thought that any one  
Could make me feel this way  
Now that your here all I want  
Is just a chance to say

Get out, leave right now  
It's the end of you and me  
It's too late now and I can't wait  
For you to be gone  
'Cuz I know about her and I wonder  
How I brought all the lies?  
You said that you would treat me right  
But you were just a waste of time

Tell me why your looking so confused?  
When I'm the one who didn't know the truth  
How could you ever be so cold?  
To go behind my back and call my friend  
Boy, you must have gone and bumped your head  
'Cuz you left her number on your phone

So now that through all that is said and done  
Maybe I'm the one to blame  
To think that you could be the one  
Well it didn't work out that way

Get out, leave right now  
It's the end of you and me  
It's too late now and I can't wait  
For you to be gone  
'Cuz I know about her and I wonder  
How I brought all the lies?  
You said that you would treat me right  
But you were just a waste of time

I wanted you right here with me  
But I have no choice you've got to leave  
'Cuz my heart is breakin'  
With every word I'm say  
I gave up on everything I had  
On something that just wouldn't last  
But I refuse to cry  
No tears will fall from these eye eye eyesss

Get out, leave right now  
It's the end of you and me  
It's too late now and I can't wait  
For you to be gone  
'Cuz I know about her and I wonder  
How I brought all the lies?  
You said that you would treat me right  
But you were just a waste of time

Get out, leave right now  
It's the end of you and me  
It's too late now and I can't wait  
For you to be gone  
'Cuz I know about her and I wonder  
How I brought all the lies?  
You said that you would treat me right  
But you were just a waste of time

Get out, leave  
You and me  
It's too late now  
To be gone  
I wonder  
Why  
You said that you would treat me right  
But you were just a waste of time
