Head under water  
And they tell me to breathe easy for a while  
Breathing gets harder, even I know that  
Made room for me it's too soon to see  
If I'm happy in your hands  
I'm unusually hard to hold on to

Blank stares at blank pages  
No easy way to say this  
You mean well, but you make this hard on me

I'm not gonna write you a love song  
'Cause you asked for it  
'Cause you need one, you see  
I'm not gonna write you a love song  
'Cause you tell me it's  
Make or breaking this  
If you're on your way  
I'm not gonna write you to stay  
If all you have is leaving I'm gonna need a better  
Reason to write you a love song today, today yeah

I learned the hard way  
That they all say things you wanna hear  
And my heavy heart sinks deep down under you and  
Your twisted words,  
Your help just hurts  
You are not what I thought you were  
Hello to high and dry

Convinced me to please you  
Made me think that I need this too  
I'm trying to let you hear me as I am

I'm not gonna write you a love song  
'Cause you asked for it  
'Cause you need one, you see  
I'm not gonna write you a love song  
'Cause you tell me it's  
Make or breaking this  
If you're on your way  
I'm not gonna write you to stay

If all you have is leaving I'm gonna need a better  
Reason to write you a love song today

Promise me that you'll leave the light on  
To help me see, with daylight my guide gone  
Cause I believe there's a way  
You can love me because I said  
I won't write you a love song  
'Cause you asked for it  
'Cause you need one, you see

I'm not gonna write you a love song  
'Cause you tell me it's make or breaking this

Is that why you wanted a love song  
'Cause you asked for it  
'Cause you need one, you see  
I'm not gonna write you a love song  
'Cause you tell me it's make or breaking this  
If you're on your way  
I'm not gonna write you to stay  
If your heart is nowhere in it  
I don't want it for a minute  
Babe, I'll walk the seven seas when I believe that  
There's a reason to  
Write you a love song today todayyy yeah yeah yeah
