Ooh
I can't go any further than this
Ooh
I miss you so badly, it's my biggest wish

Cool, I spend my time
Just thinkin', thinkin', thinkin' 'bout you
Every single day
Yes, I'm really missin', missin' you

And all those things
We used to, used to, used to, used to do
Hey girl, what's up?
It used to, used to be just me and you

I spend my time
Just thinkin', thinkin', thinkin' 'bout you
Every single day
Yes, I'm really missin', missin' you

And all those things
We used to, used to, used to, used to do
Hey girl, what's up?
What's up, what's up, what's up?

(Can you meet me halfway?)
Right at the borderline
That's where I'm gonna wait
(For you)

(I'll be lookin' out)
Night 'n' day
(Took my heart to the limit)
(And this is where I'll stay)

(Oh, whoa, oh, whoa)
I can't go any further than this
(Oh, whoa, oh, whoa)
I miss you so bad, it's my only wish

Girl, I travel 'round the world
And even sail the seven seas

Across the universe
And go to other galaxies

Just tell me where to go
Just tell me where you wanna meet
I'll navigate myself
Myself, to take me where you be

'Cause girl I want
I, I, I want you right now
I travel uptown
Town, I travel downtown

Wanna to have you around
Round like every single day
I love you all way
Way, I'll meet you halfway

(Meet me halfway)
Right at the borderline
That's where I'm gonna wait
(For you)

(I'll be lookin' out)
Night 'n' day
(Took my heart to the limit)
(And this is where I'll stay)

(Oh, whoa, oh, whoa)
I can't go any further than this
(Oh, whoa, oh, whoa)
I miss you so bad, it's my only wish

Let's walk the bridge
To the other side
Just you and I
(Just you and I)

I will fly, fly the skies
For you and I
(For you and I)

For you and I
For you and I
For you and I
For you and I

Can you meet me halfway?
Can you meet me halfway?

Can you meet me halfway?

Right at the borderline
That's where I'm gonna wait for you

I'll be lookin' out
Night 'n' day
Took my heart to the limit
And this is where I'll stay

(Oh, whoa, oh, whoa)
I can't go any further than this
(Oh, whoa, oh, whoa)
I miss you so bad, it's my only wish
(Oh, whoa, oh, whoa)
