You're at your job working part time waiting tables
Left a small town, never looked back
I was a flight risk with a fear of falling
Wondering why we bother with love if it never lasts

I say can you believe it?
As we're lying on the couch
The moment I could see it
Yes, yes, I can see it now

Do you remember we were sitting there by the water?
You put your arm around me for the first time
You made a rebel of a careless man's careful daughter
You are the best thing that's ever been mine

Flash forward and we're taking on the world together
And there's a bunch of my things at your place
You learn my secrets and you figure out why I'm
guarded
You say we'll never make my parents' mistakes

But we got bills to pay
We got nothing figured out
When it was hard to take
Yes, yes, this is what I thought about

Do you remember we were sitting there by the water?
You put your arm around me for the first time
You made a rebel of a careless man's careful daughter
You are the best thing that's ever been mine

Do you remember all the city lights on the water?
You saw me start to believe for the first time
You made a rebel of a careless man's careful daughter
You are the best thing that's ever been mine

And I remember that fight, two thirty pm
As everything was slipping right out of our hands
I ran out crying and you followed me out into the street

Braced myself for the goodbye
'Cause that's all I've ever known

And you took me by surprise
You said I'll never leave you alone

You said I remember how we felt sitting by the water
And every time I look at you, it's like the first time
I fell in love with a careless man's careful daughter
She is the best thing that's ever been mine

You made a rebel of a careless man's careful daughter
You are the best thing that's ever been mine

Hold on
Do you believe it? Hold on
We're gonna make it now, yes, yes
And I can see it, yes, yes
I can see it now
