And oh yeah, we gonna kick it like this
We gonna keep ya' movin' on the dance floor
Move it man

Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
C'mon ladies, rock the party, shake your body,
everybody

C'mon everybody, let's move it all night
Gonna take ya' back to the old school
Can you feel the vibe?

Just dance to the rhythm
An' let me see ya wind your waistline
Jump back and the do the twist
And the electric slide, yeah

Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
C'mon fellas, rock the party, shake your body,
everybody

Let's get funky to this new sound
See, we gon' get on the floor an' do it like this

Can anyone do the double bump
Like back in the day?
We thought we'd bring it to ya'
Baha Men keep it groovin', yeah

Well, I can see everybody's on the floor
Doin' the runnin' man
Do the mash potato
Or walk the Philly dog if you can

Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
C'mon y'all, let's rock the party, shake your body,

everybody

Remember back in the day
When we used to dance to the boogaloo
Everybody used to rock to the beat
Solid gold kickin' up too

An' everybody rocks together
With the DJ, when he plays
Smooth music is kickin' clippin'
We rush back an' we keep dippin'

C'mon baby let's rock, let's rock
We gonna get up on the dance floor
An' do the Pee Wee Herman
So shake it up and do the bus stop
And do the robot and baby do the rock, yeah
Move it man

Can you move it like this? I can shake it like that
(L.A., Atlanta)
Can you move it like this? I can shake it like that
(N.Y., whassup?)
Can you move it like this? I can shake it like that
(Seattle, Dallas an' Houston)
Can you move it like this? I can shake it like that
(Baltimore an' D.C. now)

Can you move it like this? I can shake it like that
(Tampa, I know you do the dip now)
Can you move it like this? I can shake it like that
(Memphis, I know you do the funky chicken)
Can you move it like this? I can shake it like that
