Just shoot for the stars  
If it feels right  
And aim for my heart  
If you feel like  
And take me away and make it OK  
I swear I'll behave  
You wanted to know  
So we waited  
I put on a show  
Now we're jayden  
You say I'm a kid  
My ego is big  
I don't even care  
And it goes like this  
[Chorus:]  
Take me by the hand  
And I'll know you  
Dance untill were done  
And I'll show you  
All the moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger  
I don't need to try to convince you  
Look into my eyes and I'll know you  
With the moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger  
[Verse 2:]  
Maybe it's hard  
When you feel like you're broken and scarred  
Nothing feels right  
But when you're with me  
I'll make you believe  
That I've got the key  
Oh  
So get in the car  
We can ride it  
Wherever you want  
Get inside it  
And you want to steer  
But I'm shifting gears  
I'll take it from here (Oh)

And it goes like this  
[Chorus]
