There's always that one person
That will always have your heart
You never see it coming
'Cause you're blinded from the start

Know that you're that one for me
It's clear for everyone to see
Ooh baby, you will always be my boo

I don't know about y'all but I know about us and uh
It's the only way we know how to rock
I don't know about y'all but I know about us and uh
It's the only way we know how to rock

Do you remember, girl, I was the one that gave you
your first kiss?
'Cause I remember, girl, I was the one who said, "Put
your lips like this"
Even before all the fame and people screamin' your
name
Girl, I was there and you were my baby

It started when we were younger, you were mine
(My boo)
Now, another brother's taken over but it's still in your
eyes
(My boo)

Even though we used to argue, it's alright
(My boo)
I know we haven't seen each other in a while
But you will always be my boo

I was in love with you when we were younger, you were
mine
(My boo)
When I see you from time to time I still feel like
(My boo that's my baby)

You can see it no matter how I try to hide
(My boo, I can't hide it)
And even though there's another man who's in my life

You will always be my boo

Yes, I remember, boy 'cause after we kissed
I can only think about your lips
Yes, I remember, boy, the moment I knew
You were the one I could spend my life with
Even before all the fame and people screamin' your
name
I was there and you were my baby

It started when we were younger you were mine
(My boo, you were mine)
Now, another brother's taken over but it's still in your
eyes
(My boo, yes, it is)

Even though we use to argue it's all right
(My boo, it's alright, it's okay)
I know we haven't seen each other in a while
But you will always be my boo

I was in love with you when we were younger, you were
mine
(You were my boo, my boo)
When I see you from time to time I still feel like
(My boo)

You can see it, no matter how I try to hide
(My boo, it's alright now, it's okay)
And even though there's another man who's in my life
(What we have is in each other)
You will always be my boo

My, oh my, oh my, oh my, oh, my boo
My, oh my, oh my, oh my, oh, my boo

It started when we were younger, you were mine
(You were mine, my boo)
Now another brother's taken over but it's still in your
eyes
(My boo, you and I)

Even though we use to argue it's alright
(My boo, it's alright, it's okay)
I know we haven't seen each other in a while
But you will always be my boo

I don't know about y'all but I know about us and uh
It's the only way we know how to rock
I don't know about y'all but I know about us and uh
