I'm so tired of being here, suppressed by all my  
childish fears  
And if you have to leave, I wish that you would just  
leave  
'Cause your presence still lingers here  
And it won't leave me alone

These wounds won't seem to heal  
This pain is just too real  
There's just too much that time cannot erase

When you cried, I'd wipe away all of your tears  
When you'd scream, I'd fight away all of your fears  
And I've held your hand through all of these years  
But you still have all of me

You used to captivate me by your resonating light  
Now I'm bound by the life you left behind  
Your face, it haunts my once pleasant dreams  
Your voice, it chased away all the sanity in me

These wounds won't seem to heal  
This pain is just too real  
There's just too much that time cannot erase

When you cried, I'd wipe away all of your tears  
When you'd scream, I'd fight away all of your fears  
And I've held your hand through all of these years  
But you still have all of me

I've tried so hard to tell myself that you're gone  
But though you're still with me, I've been alone all  
along

When you cried, I'd wipe away all of your tears  
When you'd scream, I'd fight away all of your fears  
And I've held your hand through all of these years  
But you still have all of me, all of me, all of me
