how you choose to express yourself,  
it's all your own and i can tell,  
it comes naturally  
it comes naturally

you follow what you feel inside,  
it's intuitive, you don't have to try  
it comes naturally

and it takes my breath away (everytime)  
what you do sooo naturally

you are the thunder and i am the lightening  
and i love the way you  
know who you are and to me it's exiting,  
when you know it's meant to be.

everything comes naturally, it comes naturally,  
when you're with me baby  
everything comes naturally, it comes naturally  
bay-bay-baby  
you have a way of moving me,  
your force of nature, your energy  
it comes naturally, (you know it does,ooo) it comes  
naturally

and it takes my breath away  
what you do soo naturally

you are the thunder and i am the lightening,  
and i love the way you,

know who you are and to me it's exiting,  
when you know it's meant to be.

everything comes naturally, everything comes  
naturally  
when you're with me baby  
everything comes naturally, it comes naturally  
bay-bay-baby

when we collide, sparks fly

when i look in your eyes  
it takes my breath away

(you are!) you are the thunder and i am the lightening,  
and i love the way  
you know who you are and to me it's exiting  
when you know it's meant to be

everything comes naturally, it comes naturally  
when you're with me baby  
everything comes naturally, it comes naturally  
bay-bay-baby

naturally  
x5  
bay-bay-baby

naturally  
x5  
everything you do,  
it comes naturally
