I never knew
I never knew that everything was falling through
That everyone I knew was waiting on a cue
To turn and run when all I needed was the truth

But that's how it's got to be
It's coming down to nothing more than apathy
I'd rather run the other way than stay and see
The smoke and who's still standing when it clears

And everyone knows I'm in over my head
Over my head
With eight seconds left in overtime
She's on your mind, she's on your mind

Let's rearrange
I wish you were a stranger I could disengage
Just say that we agree and then never change
Soften a bit until we all just get along

But that's disregard
You find another friend and you discard
As you lose the argument in a cable car
Hanging above as the canyon comes between

And everyone knows I'm in over my head
Over my head
With eight seconds left in overtime
She's on your mind, she's on your mind

Everyone knows I'm in over my head
Over my head
With eight seconds left in overtime
She's on your mind, she's on your

And suddenly I become a part of your past
I'm becoming the part that don't last
I'm losing you and it's effortless

Without a sound we lose sight of the ground in the
throw around

Never thought that you wanted to bring it down
I won't let it go down till we torch it ourselves

Everyone knows I'm in over my head
Over my head
With eight seconds left in overtime
She's on your mind, she's on your mind

Everyone knows, she's on your mind
Everyone knows I'm in over my head
I'm over my head, I'm over my

Everyone knows I'm in over my head
Over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
She's on your mind

She's on your mind
