Now that it's all said and done
I can't believe you were the one
To build me up and tear me down
Like an old abandoned house

What you said when you left
Just left me cold and out of breath
Felt if I was in way too deep
Guess I let you get the best of me

Well, I never saw it coming
I should have started running
Long, long time ago

And I never thought I'd doubt you
I'm better off without you
More than you, more than you know

I'm slowly getting closure
I guess it's really over
I'm finally getting better

And now I'm picking up the pieces
Spending all of these years
Putting my heart back together

The day I thought I'd never get through
I got over you

You took a hammer to these walls
Dragged the memories down the hall
Packed your bags and walked away
There was nothing I could say

When you slammed the front door shut
A lot of others opened up
So did my eyes, so I could see
That you never were the best for me

Well, I never saw it coming
I should have started running
Long, long time ago

And I never thought I'd doubt you
I'm better off without you
More than you, more than you know

I'm slowly getting closure
I guess it's really over
I'm finally getting better

And now I'm picking up the pieces
Spending all of these years
Putting my heart back together

The day I thought I'd never get through
I got over you

Well, I never saw it coming
I should have started running
Long, long time ago

And I never thought I'd doubt you
I'm better off without you
More than you, more than you know

I'm slowly getting closure
I guess it's really over
I'm finally getting better

And now I'm picking up the pieces
Spending all of these years
Putting my heart back together

Whoa, I'm putting my heart back together
Whoa, 'cause I got over you
Whoa, and I got over you
Whoa, I got over you

'Cause the day I thought I'd never get through
I got over you
