Let's run away from these lies
Back to yesterday, safe tonight

I feel the sun creeping up like tick tock
I'm trying to keep you in my head but if not
We'll just keep running from tomorrow with our hearts
locked
Yeah, you got me begging, begging

Baby, please don't go
If I find out tomorrow will you still be here?
I don't know if you feel the way I do
If you leave, I'm gonna find you

Baby, please don't go, go, go, go
Baby, please don't go, go, go, go
Baby, please don't go, go, go, go
Baby please don't, baby please don't

Baby, please don't run away
From my head and start another day
Stay instead

I feel the sun creeping up like tick tock
I'm trying to keep you in my head but if not
We'll just keep running from tomorrow with our hearts
locked
Yeah, you got me begging, begging

Baby, please don't go
If I find out tomorrow will you still be here?
I don't know if you feel the way I do
If you leave, I'm gonna find you

Baby, please don't go, go, go, go
Baby, please don't go, go, go, go
Baby, please don't go, go, go, go
Baby please don't, baby please don't
Baby, please don't

I stay running from tomorrow
I stay running from tomorrow

Well, I stay running from tomorrow
Said, I stay running from tomorrow

Baby, please don't go, please don't go
If I find out tomorrow will you still be here?
I don't know if you feel the way I do
If you leave I'm gonna find you
(I'm gon', I'm gon', I'm gonna find you)

Baby, please don't go, go, go, go
Baby, please don't go, go, go, go
(Don't leave me, leave me)
Baby, please don't go, go, go, go
Baby please don't, baby please don't
Baby please don't run away
