There's a fire starting in my heart
Reaching a fever pitch
and it's bringing me out the dark
Finally I can see you crystal clear
Go ahead and sell me out and I'll lay it up there

See how I leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch
and it's bringing me out the dark

the scars of your love remind me of us
they keep me thinking that
we almost had it all
the scars of your love they leave me breathless
I can't help thinking that we almost had it all

We could have had it all
Rolling in the deep
You had my heart inside of your hand
and you played to the beat

Baby I have no story to be told
but I heard one of you and
I'm gonna make your head burn
think of me in the depths of your despair
make a home down there
cause mine sure won't be shared

the scars of your love remind me of us
they keep me thinking that
we almost had it all
the scars of your love they leave me breathless
I can't help thinking that we almost had it all

We could have had it all
Rolling in the deep
You had my heart inside of your hand
and you played to the beat

We could have had it all

Rolling in the deep
You had my heart inside of your hand
but you played it with the beating

Throw your soul through every open door
Count your blessings to find what you look for
Turn my sorrow into treasured gold
Pay me back in kind and reap just what you sow

We could have had it all
We could have had it all

We could have had it all
Rolling in the deep
You had my heart inside of your hand
and you played to the beat
