Hey, you don't mean nothin' to me

In the day, in the night, say it right, say it all
Either got it or you don't, you either stand or you fall
When your will is broken, when it slips from your hand
When there's no time for joking, there's a hole in the plan

Oh, you don't mean nothin' at all to me
No, you don't mean nothin' at all to me
But you got what it takes to set me free
Oh, you could mean everything to me

I canÃ¢Â€Â™t say that IÃ¢Â€Â™m not lost and at fault
I canÃ¢Â€Â™t say that I donÃ¢Â€Â™t love the light and the dark
I canÃ¢Â€Â™t say that I donÃ¢Â€Â™t know that I am alive
And of all, what I feel I could show you tonight, you tonight

Oh, you don't mean nothin' at all to me
No, you don't mean nothin' at all to me
But you got what it takes to set me free
Oh, you could mean everything to me

From my hands I could give you
Somethin' that I made
From my mouth I could sing you
Another brick that I laid

Oh, you don't mean nothin' at all to me
No, you don't mean nothin' at all to me
But you got what it takes to set me free
