I got my sight set on you and I'm ready to aim
I have a heart that will never be tamed, never be tamed
I knew you were something special when you spoke my
name
Now I can't wait to see you again

I got a way of knowing when something is right, aha
yeah
I feel like I must have known you in another life,
another life
'Cause I felt this deep connection when you looked in
my eyes
Now I can't wait to see you again

The last time I freaked out, I just kept looking down
I stu-stu-stuttered when you asked me what I'm
thinking about
Felt like I couldn't breath, you asked what's wrong with
me
My best friend Lesley said, "Oh, she's just being funny"

The next time we hang out I will redeem myself
My heart can't rest till then
Whoa I, I can't wait to see you again

I got this crazy feeling deep inside, aha
When you called and asked to see me tomorrow night
No, I'm not a mind reader but I'm reading the sign
That you can't wait to see me again

The last time I freaked out, I just kept looking down
I stu-stu-stuttered when you asked me what I'm
thinking about
Felt like I couldn't breath, you asked what's wrong with
me
My best friend Lesley said, "Oh, she's just being funny"

The next time we hang out I will redeem myself
My heart can't rest till then
Whoa I, I can't wait to see you again, to see you again

I got my sight set on you and I'm ready to aim

The last time I freaked out, I just kept looking down
I stu-stu-stuttered when you asked me what I'm
thinking about
Felt like I couldn't breath, you asked what's wrong with
me
My best friend Lesley said, "Oh, she's just being funny"

The next time we hang out I will redeem myself
My heart can't rest till then
Whoa I, I can't wait to see you again, to see you again
Whoa I, I can't wait to see you again
