[Adam Levine]

My heart's a stereo
It beats for you, so listen close
Hear my thoughts in every note
Make me your radio
Turn me up when you feel low
This melody was meant for you
Just sing along to my stereo

[Travie McCoy]

If I was just another dusty record on the shelf
Would you blow me off and play me like everybody
else
If I ask you to scratch my back, could you manage that
Like it read well, check it Travie, I can handle that
Furthermore, I apologize for any skipping tracks
Its just the last girl that played me left a couple cracks
I used to used to used to used to, now I'm over that
Cause holding grudges over love is ancient artifacts
If I could only find a note to make you understand
I'd sing it softly in your ear and grab you by the hand
Just Keep it stuck inside your head, like your favorite
tune
And know my heart is a stereo that only plays for you

[Chorus]

My heart's a stereo
It beats for you, so listen close
Hear my thoughts in every note
Make me your radio
Turn me up when you feel low
This melody was meant for you
Just sing along to my stereo
Oh oh oh oh To my stereo
Oh oh oh oh So sing along to my stereo

[Travie McCoy]

If I was an old school, fifty pound boombox
Would you hold me on your shoulder, wherever you
walk
Would you turn my volume up in front of the cops
And crank it higher everytime they told you to stop

And all I ask is that you don't get mad at me
When you have to purchase mad D batteries
Appreciate every mixtape your friends make
You never know we come and go like we're on the
interstate
I think finally found a note to make you understand
If you can hear it, sing along and take me by the hands
Keep it stuck inside your head, like your favorite tune
And know my heart is a stereo that only plays for you

[Chorus]

My heart's a stereo
It beats for you, so listen close
Hear my thoughts in every note
Make me your radio
Turn me up when you feel low
This melody was meant for you
Just sing along to my stereo
Oh oh oh oh To my stereo
Oh oh oh oh So sing along to my stereo

[Bridge]

I only pray you never leave me behind
Because good music can be so hard to find
I take your hand and hold it closer to mine
Thought love was dead, but now you're changing my
mind

[Chorus]

My heart's a stereo
It beats for you, so listen close
Hear my thoughts in every note
Make me your radio turn me up when you feel low
This melody was meant for you
So sing along to my stereo
Oh oh oh oh to my stereo
Oh oh oh oh So sing along to my stereo
