Turn the lights on

Every night I rush to the bed  
With hopes that maybe I'll get a chance  
To see you when I close my eyes

I'm going out of my head  
Lost in a fairytale  
Can you hold my hands and be my guide?

Clouds filled with stars cover your skies  
And I hope it rains  
You're the perfect lullaby  
What kinda dream is this?

You can be a sweet dream  
Or a beautiful nightmare  
Either way I  
Don't wanna wake up from you

Sweet dream or a beautiful nightmare  
Somebody pinch me  
Your love's too good to be true

My guilty pleasure  
I ain't going nowhere  
Baby, long as you're here  
I'll be floating on air

'Cause you're my  
Sweet dream or a beautiful nightmare  
Either way I  
Don't wanna wake up from you

I mention you when I say my prayers  
I wrap you around all of my thoughts  
Boy, you're my certain type of guy

I wish that when I go out you're there  
To wrap your arms around me for real  
And tell me you'll stay by my side

Clouds filled with stars cover the skies  
And I hope it rains  
You're the perfect lullaby  
What kinda dream is this?

A sweet dream or a beautiful nightmare  
Either way I  
Don't wanna wake up from you

Sweet dream or a beautiful nightmare  
Somebody pinch me  
Your love's too good to be true

My guilty pleasure  
I ain't going nowhere  
Baby, long as you're here  
I'll be floating on air

'Cause you're my  
Sweet dream or a beautiful nightmare  
Either way I  
Don't wanna wake up from you

I've got your name across my heart  
So it will remain  
Not even death can make us part  
What kind of dream is this?

You can be a  
Sweet dream or a beautiful nightmare  
Either way I  
Don't wanna wake up from you

Sweet dream or a beautiful nightmare  
Somebody pinch me  
Your love's too good to be true

My guilty pleasure  
I ain't going nowhere  
Baby, long as you're here  
I'll be floating on air

'Cause you're my  
Sweet dream or a beautiful nightmare  
Either way I  
Don't wanna wake up from you

Either way I  
Don't wanna wake up from you
