Tell me something, tell me, tell me

Everybody tells me that it's so hard to make it  
It's so hard to break in, there's no way to fake it  
Everybody tells me that it's wrong what I'm feeling  
I shouldn't believe in the dreams that I'm dreaming

I hear it everyday, I hear it all the time  
I'm never gonna amount to much  
But they're never gonna change my mind, oh

Tell me, tell me, tell me something I don't know  
Something I don't know, something I don't know  
Tell me, tell me, tell me something I don't know  
Something I don't know, something I don't know

How many inches in a mile?  
What it takes to make you smile?  
Get you not to treat me like a child, baby

Tell me, tell me, tell me something I don't know  
Something I don't know, something I don't know  
Tell me, tell me something I don't know  
Tell me, tell me something I don't know

Everybody tells me I don't know what I'm doing  
This life I'm pursuing the odds I'll be losing  
Everybody tells me that it's one in a million  
One in billion, one in a zillion

I hear it everyday, I hear it all the time  
I'm never gonna amount to much  
But they're never gonna change my mind, oh

Tell me, tell me, tell me something I don't know  
Something I don't know, something I don't know  
Tell me, tell me, tell me something I don't know  
Something I don't know, something I don't know

How many inches in a mile?  
What it takes to make you smile?  
Get you not to treat me like a child, baby

Tell me, tell me, tell me something I don't know  
Something I don't know, something I don't know

She hit the track like a surfer making waves  
Like cold Medina make 'em say, I'm ready  
Are you ready for it? Yes, I'm ready for it  
Really ready for it? Yes, I'm ready for it  
Let's get ready for it

I'm on my way I know I'm gonna get there someday  
It doesn't help when you say it won't be easy

Tell me, tell me, tell me something I don't know  
Something I don't know, something I don't know  
Tell me, tell me, tell me something I don't know  
Something I don't know, something I don't know

How many inches in a mile?  
What it takes to make you smile?  
Get you not to treat me like a child, baby

Tell me, tell me, tell me something I don't know  
Something I don't know, something I don't know
