I was so high I did not recognize  
The fire burning in her eyes, the chaos that controlled  
my mind  
Whispered, "Goodbye" and she got on a plane  
Never to return again but always in my heart

This love has taken its toll on me  
She said, "Goodbye" too many times before  
And her heart is breaking in front of me  
And I have no choice 'cause I won't say goodbye  
anymore

I tried my best to feed her appetite  
Keep her coming every night, so hard to keep her  
satisfied  
Kept playing love like it was just a game  
Pretending to feel the same, then turn around and  
leave again but oh

This love has taken its toll on me  
She said, "Goodbye" too many times before  
And her heart is breaking in front of me  
I have no choice 'cause I won't say goodbye  
anymore

I'll fix these broken things, repair your broken wings  
And make sure everything's alright, it's alright,  
it's alright  
My pressure on your hips, sinking my fingertips  
Every inch of you 'cause I know that's what you want me  
to do

This love has taken its toll on me  
She said, "Goodbye" too many times before  
Her heart is breaking in front of me  
I have no choice 'cause I won't say goodbye  
anymore

This love has taken its toll on me  
She said, "Goodbye" too many times before  
And my heart is breaking in front of me  
I have no choice 'cause I won't say goodbye

anymore

This love has taken its toll on me  
She said, "Goodbye" too many times before  
Her heart is breaking in front of me  
She said, "Goodbye" too many times before

This love has taken its toll on me  
She said, "Goodbye" too many times before
