I feel so close to you right now
It's a force field
I wear my heart upon my sleep
Like a big deal
Your love pours down on me surround me
Like a waterfall
And there's no stopping us right now
I feel so close to you right now

I feel so close to you right now
It's a force field
I wear my heart upon my sleep
Like a big deal
Your love pours down on me surround me
Like a waterfall
And there's no stopping us right now
I feel so close to you right now
But there's no stopping us right now(x3)
