Come with me, hang the night  
Just the say the words but boy it don't feel right  
What do you expect me to say?  
(You know it's just a little too late)

Take my hand and you say you've changed  
But boy you know you're beggin' don't fool me  
Because to you it's just a game  
(You know it's just a little too late)

So let me go now  
'Cause time has made me strong  
I'm starting to move on, I'm gonna say this now  
Chance has come and gone

And you know, it's just a little too late  
A little too long and I can't wait  
But you know all the right things to say  
You know it's just a little too late

You say, you dream of my face  
But you don't like me, you just like the chase  
To be real, it doesn't matter anyway  
You know it's just a little too late  
(Yeah, it's just a little too late)

I was young and in love  
I gave you everything but it wasn't enough  
And now you wanna communicate  
(You know it's just a little too late)

Go find someone else  
In lettin' you go, I'm lovin' myself  
You got a problem  
But don't come askin' me for help 'cause you know

It's just a little too late  
A little too long and I can't wait  
But you know all the right things to say  
You know it's just a little too late

You say, you dream of my face

But you don't like me, you just like the chase  
To be real, it doesn't matter anyway  
You know it's just a little too late

I can love with all of my heart, baby  
I know I have so much to give  
With a player like you, I don't have a prayer  
That's the way to live, oh  
It's just too little too late, yeah, yeah

It's just a little too late  
A little too long and I can't wait  
But you know all the right things to say  
You know it's just a little too late

You say, you dream of my face  
But you don't like me, you just like the chase  
To be real, it doesn't matter anyway  
You know it's just a little too late

It's just a little too late  
A little too long and I can't wait  
But you know all the right things to say  
You know it's just a little too late

You say, you dream of my face  
But you don't like me, you just like the chase  
To be real, it doesn't matter anyway  
You know it's just a little too late  
You know it's just a little too late
