Intro (2x)

Yo, after tonight
Don't leave your girl 'round me
True playa for real
Ask my nigga for real

Verse 1

Situations will arise
In our ives
But U gotta be smart about it
Celebrations with the guys
I sacrificed
Cause I knew U could not sleep without it
Meanwhile I...
I loved U
U were my girl
U see I...
Thought the world of U
But you're still steady leavin' baby

Chorus (2x)

U don't have to call
It's okay girl
'Cause I'm gonna be alright tonight

Verse 2

Aw, girl
Your face is saying why
Tears in eyes
Should've been more smart about it
Should've cherished me
Listenin' to friends, now it's the end
And again
No story can end without it
Damn right.....
I loved U
You were my girl
U see I...
Thought the world of U
But you're still steady leavin' baby

Chorus

Bridge

Gonna boogie tonight

'Cause I'm honestly too young of a guy

To stay home

Waiting for love

So tonight

I'm gonna do what a single man does

And that's party

Chorus (3x)

Bridge
