Oh, come on

You had my heart and we'll never be world apart
Maybe in magazines but you'll still be my star
Baby, 'cause in the dark you can't see shiny cars
And that's when you need me there with you I'll always
share

Because when the sun shines, we'll shine together
Told you I'll be here forever
Said that I'll always be your friend
Took an oath an' I'ma stick it out till the end

Now it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, eh, eh, eh, under my umbrella
Ella, ella, eh, eh, eh, under my umbrella
Ella, ella, eh, eh, eh, under my umbrella
Ella, ella, eh, eh, eh, eh, eh, eh

These funky things will never come in between
You're part of my entity here for infinity
When the war has took us ~~~~~ part when the world
has done its cards
If the hand is hard together we'll mend your heart

Because when the sun shines, we'll shine together
Told you I'll be here forever
Said that I'll always be your friend
Took an oath an' I'ma stick it out till the end

Now it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, eh, eh, eh, under my umbrella
Ella, ella, eh, eh, eh, under my umbrella
Ella, ella, eh, eh, eh, under my umbrella

Ella, ella, eh, eh, eh, eh, eh, eh

You can run into my arms
It's okay, don't be alarmed, come into me
There's no distance in between our love
Gonna let the rain pour, I'll be all you need and more

Because when the sun shines, we'll shine together
Told you I'll be here forever
Said that I'll always be your friend
Took an oath an' I'ma stick it out till the end

Now it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella

Ella, ella, eh, eh, eh, under my umbrella
Ella, ella, eh, eh, eh, under my umbrella
Ella, ella, eh, eh, eh, under my umbrella
Ella, ella, eh, eh, eh, eh, eh, eh
