There's times where I want something more
Someone more like me
There's times when this dress rehearsal seems
incomplete
But, you see the colors in me like no one else
And behind your dark glasses you're, you're something
else

Do you really love it underneath it all?
Do you want to love me underneath it all?
I'm really lucky underneath it all
You're really lovely

You know some real bad tricks and you need some
discipline
But, lately you've been trying real hard and giving me
your best
And you give me the most gorgeous sleep that I've
ever had
And when it's really bad, I guess, it's not that bad

Do you really love it underneath it all?
Do you want to love me underneath it all?
I'm really lucky underneath it all
You're really lovely

It's so many moons that we have seen stumbling back
next to me
I've seen right through and underneath and you make
me better
I've seen right through and underneath
And you make me better, better, better

For real 'cause underneath it all, you are my real Prince
Charming
Like the heat from the fire you were always burning
Anytime you're around my body keeps calling
For your touch your kisses and your sweet romancin'

There's anotha side a you weh dis here woman a adore
Aside from your temper everything else secure

You're good for me, baby, oh that, I'm sure
'Cause over and over again, I want more

You've used up all your coupons
And all you've got left is me
And somehow I'm full of forgiveness
I guess it's meant to be

Do you really love it underneath it all?
Do you want to love me underneath it all?
I'm really lucky underneath it all
And you're really lovely

Do you really love it underneath it all?
Do you want to love me underneath it all?
And I'm really lovely underneath it all
And you're really lovely

Underneath it all
Underneath it all
Underneath it all
Underneath it all
