I've been roaming around
Always looking down at all I see
Painted faces
Fill the places I can't reach

You know that I could use somebody
You know that I could use somebody

Someone like you
And all you know and how you speak
Countless lovers
Under cover of the street

You know that I could use somebody
You know that I could use somebody
Someone like you

Off in the night
While you live it up, I'm off to sleep
Waging wars
To shape the poet and the beat

I hope it's gonna make you notice
I hope it's gonna make you notice

Someone like me, someone like me
Someone like me, somebody

Oh, let it out
Oh, let it out
Oh, let it out

Someone like you, somebody
Someone like you, somebody
Someone like you, somebody

I've been roaming around
Always looking down at all I see
