You've got your mother and your brother
Every other, undercover, telling you what to say
(Say)
You think I'm stupid, but the truth is that it's Cupid
Baby, loving you has made me this way
(Way)

So before you point your finger
Get your hands off of my trigger, oh yeah
You need to know the situation's getting old
And now the more you talk the less I can take, oh

I'm looking for attention, not another question
Should you stay or should you go?
Well, if you don't have the answer, why you still
standing here?
Hey, hey, hey, hey, just walk away
Just walk away, just walk away

I waited here for you like a kid waiting after school
So tell me, how come you never showed?
(Showed)
I gave you everything and never asked for anything
And look at me, I'm all alone
(Alone)
So before you start defending, baby, stop all your
pretending

I know you know I know
So what's the point in being slow
Let's get this show on the road today, hey

I'm looking for attention not another question
Should you stay or should you go?
Well, if you don't have the answer, why you still
standing here?
Hey, hey, hey, hey, just walk away
Just walk away, just walk away

I want a love, I want a fire to feel the burn of my desires

I want a boy by my side not a boy who runs and hides
Are you gonna fight for me, die for me, live and
breathe for me?
Do you care for me? 'Cause if you don't then just leave!

I'm looking for attention, not another question
Should you stay or should you go?
Well, if you don't have the answer, why you still
standing here?
Hey, hey, hey, hey, just walk away

If you don't have the answer, walk away
Just walk away, then just leave
Walk away, walk away
Walk away, walk away
