Yellow dimonds in the light
and we're standing side by side
as your shadow crosses mine
what it takes to come alive
it's the way i'm feeling
i just can't deny
but i've got to let it go

(chorus)
we found love in a hopless place (repeat 5x)
(DJ)
shine a light through and open door
Love and life i will divide
turn away cause i need you more
feel the heartbeat in my mind
its the way i'm feeling
i just can't deny
but i've got to let it go

(chorus)

Yellow dimonds in the light
and we're standint side by side
as your shadow crosses mine
