Do you ever feel like breaking down?  
Do you ever feel out of place?  
Like somehow you just don't belong  
And no one understands you

Do you ever want to run away?  
Do you lock yourself in your room?  
With the radio on turned up so loud  
That no one hears you screaming

No you don't know what it's like  
When nothing feels alright  
You don't know what it's like  
To be like me

To be hurt, to feel lost  
To be left out in the dark  
To be kicked when you're down  
To feel like you've been pushed around

To be on the edge of breaking down  
And no one's there to save you  
No you don't know what it's like  
Welcome to my life

Do you wanna be somebody else?  
Are you sick of feeling so left out?  
Are you desperate to find something more  
Before your life is over?

Are you stuck inside a world you hate?  
Are you sick of everyone around?  
With their big fake smiles and stupid lies  
While deep inside you're bleeding

No you don't know what it's like  
When nothing feels alright  
You don't know what it's like  
To be like me

To be hurt, to feel lost  
To be left out in the dark

To be kicked when you're down  
To feel like you've been pushed around

To be on the edge of breaking down  
And no one's there to save you  
No you don't know what it's like  
Welcome to my life

No one ever lied straight to your face  
And no one ever stabbed you in the back  
You might think I'm happy  
But I'm not gonna be okay

Everybody always gave you what you wanted  
You never had to work it was always there  
You don't know what it's like  
What it's like

To be hurt, to feel lost  
To be left out in the dark  
To be kicked when you're down  
To feel like you've been pushed around

To be on the edge of breaking down  
And no one's there to save you  
Well, you don't know what it's like  
(What it's like)

To be hurt, to feel lost  
To be left out in the dark  
To be kicked when you're down  
To feel like you've been pushed around

To be on the edge of breaking down  
And no one's there to save you  
No you don't know what it's like  
Welcome to my life

Welcome to my life  
Welcome to my life
