I said, you can have whatever you like
I said, you can have whatever you like, yeah.

Stacks on deck, PatrÃ³n on ice
We can pop bottles all night
And baby, you can have whatever you like
I said, you can have whatever you like, yeah
Baby, I can treat you so special, so nice
I gas up the jet for you tonight
And baby you can go wherever you like
I said, you can go wherever you like, yeah.

Any time you want to pick up the telephone
You know it ain't nothin' drop a couple stacks on you
You want it, you can get it, my dear
5 million dollar homes, drop Bentleys I swear.

Yeah, I want your body, I need your body
Long as you got me, you won't need nobody
You want it, I got it, go get it, I buy it
Tell them other broke joker "Be quiet".

Stacks on deck, PatrÃ³n on ice
We can pop bottles all night
And baby, you can have whatever you like
I said, you can have whatever you like, yeah
Baby, I can treat you so special, so nice
I gas up the jet for you tonight
And baby you can go wherever you like
I said, you can go wherever you like, yeah.

Shawty you the hottest, I love the way you drop it
Brain's so good, I suppose you went to college
\$100k deposit, vacations in the tropic
Cause everybody know it ain't trickin' if you got it
And you ain't never ever gotta go in your wallet
As long as I got rubberband banks in my pocket
5'6", drives with rims and a body kit
You ain't gotta downgrade, you can get what I get.

My chick can have what she want
And go in any store, buy any bag she want

I noticed you ain't never had a man like that
To buy you anything your heart desire like that.

Yeah, I want your body, I need your body
Long as you got me, you won't need nobody
You want it, I got it, go get it, I buy it
Tell them other broke joker "Be quiet".

Stacks on deck, PatrÃ³n on ice
We can pop bottles all night
And baby, you can have whatever you like
I said, you can have whatever you like, yeah
Baby, I can treat you so special, so nice
I gas up the jet for you tonight
And baby you can go wherever you like
I said, you can go wherever you like, yeah.

I'm talkin' big boy rides and big boy ice
Let me put this big boy in your life
Girl, you look so fresh and look so nice
Let me put this big boy in your life, that's right.

I want your body, I need your body
Long as you got me, you won't need nobody
You want it, I got it, go get it, I buy it
Tell them other broke joker "Be quiet".

Stacks on deck, PatrÃ³n on ice
We can pop bottles all night
And baby, you can have whatever you like
I said, you can have whatever you like, yeah
Baby I can treat you so special, so nice
I gas up the jet for you tonight
And baby you can go wherever you like
I said, you can go wherever you like, yeah.
