There's another world inside of me that you may never see  
There's secrets in this life that I can't hide  
Somewhere in this darkness there's a light that I can't find  
Maybe it's too far away, maybe I'm just blind  
Maybe I'm just blind

So hold me when I'm here, right me when I'm wrong  
Hold me when I'm scared and love me when I'm gone  
Everything I am and everything in me  
Wants to be the one you wanted me to be

I'll never let you down even if I could  
I'd give up everything if only for your good  
So hold me when I'm here, right me when I'm wrong  
You can hold me when I'm scared you won't always be there  
So love me when I'm gone, love me when I'm gone

When your education x-ray cannot see under my skin  
I won't tell you a damn thing that I could not tell my friends  
And roaming through this darkness I'm alive but I'm alone  
Part of me is fighting this but part of me is gone

So hold me when I'm here, right me when I'm wrong  
Hold me when I'm scared and love me when I'm gone  
Everything I am and everything in me  
Wants to be the one you wanted me to be

I'll never let you down even if I could  
I'd give up everything if only for your good  
So hold me when I'm here, right me when I'm wrong  
You can hold me when I'm scared, you won't always be there  
So love me when I'm gone

Maybe I'm just blind

So hold me when I'm here, right me when I'm wrong  
Hold me when I'm scared and love me when I'm gone  
Everything I am and everything in me  
Wants to be the one you wanted me to be

I'll never let you down even if I could  
I'd give up everything if only for your good  
So hold me when I'm here, right me when I'm wrong  
You can hold me when I'm scared, you won't always be  
there  
So love me when I'm gone

Love me when I'm gone, whoa  
Love me when I'm gone, when I'm gone  
When I'm gone, when I'm gone
