"Whenever, Wherever"

Lucky you were born that far away so
We could both make fun of distance
Lucky that I love a foreign land for
The lucky fact of your existence

Baby, I would climb the Andes Soley
To count the freckles on your body
Never could imagine there were only
Ten million ways to love somebody

Le, do, lo, le, lo, le, le, do, lo, le, lo, le
Can't you see, I'm at your feet

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear

There over, hereunder
You'll never have to wonder
We can always play by ear
And that's the deal my dear

Lucky that my lips not only mumble
They spill kisses like a fountain
Lucky that my breasts are small and humble
So you don't confuse them with mountains

Lucky, I have strong legs like my mother
To run for cover when I need it
And these two eyes are for no other
The day you leave will cry a river

Le, do, lo, le, lo, le, le, do, lo, le, lo, le
At your feet, I'm at your feet

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear

There over, hereunder

You'll never have to wonder
We can always play by ear
And that's the deal my dear

Le, do, lo, le, lo, le, le, do, lo, le, lo, le
Think out loud, say it again
Le, do, lo, le, lo, le, lo, le

Tell me one more time
That you're there, lost in my eyes

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear

There over, hereunder
You've got me head over heels
There's nothing left to fear
If you really feel the way I feel

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear

There over, hereunder
You've got me head over heels
There's nothing left to fear
If you really feel the way I think
