You took my hand, you showed me how  
You promised me you'd be around  
Uh huh, that's right

I took your words and I believed  
In everything you said to me  
Yeah huh, that's right

If someone said three years from now  
You'd be long gone  
I'd stand up and call them loud  
'Cause they're all wrong

I know better  
'Cause you said forever and ever  
Who knew?

Remember when we were such fools  
And so convinced and just too cool  
Oh no, no, no

I wish I could touch you again  
I wish I could still call you friend  
I'd give anything

When someone said count your blessings now  
For they're long gone  
I guess I just didn't know how  
I was all wrong

They knew better  
Still you said forever and ever  
Who knew? Yeah, yeah

I'll keep you locked in my head  
Until we meet again  
Until we, until we, until we meet again  
I won't forget you, my friend  
What happened?

If someone said three years from now  
You'd be long gone

I'd stand up and call them loud  
'Cause they're all wrong

And the last kiss, I'll cherish  
Until we meet again  
And time makes it harder  
I wish I could remember

But I keep your memory  
You visit me in my sleep, my darling  
Who knew?

My darling, my darling  
Who knew?  
My darling, I miss you, my darling  
Who knew? Who knew?
