I spent many years trying to get out of this place
I was lookin' for something I couldn't replace
I was runnin' away from the only thing I've ever known

Like a, a blind dog without a bone
I was a gypsy lost in the twilight zone
I hijacked a rainbow and crashed into a pot of gold

I've been there, I done that
And I ain't lookin' back on the seeds I've sown
Saving dimes, spending too much time on the
telephone
Who say's you can't go home

Who say's you can't go home
There's only one place, they call me one of their own
Just a hometown boy, born a rolling-stone
Who say's you can't go home

Who say's you can't go back
Been around all around the world and as a matter of
fact
There's only one place left I want to go
Who say's you can't go home

It's alright, it's alright
It's alright, it's alright
It's alright

I went as far as I could, I tried to find a new face
There isn't one of these lines that I would erase
I left a million miles of memories on that road

With every step I take I know that I'm not alone
You take the home from the boy, but not the boy from
his home
These are my streets, the only life I've ever known
Who say's you can't go home

Who say's you can't go home
There's only one place, they call me one of their own
Just a hometown boy, born a rolling-stone

Who say's you can't go home

Who say's you can't go back
Been around all around the world and as a matter of
fact
There's only one place left I want to go
Who say's you can't go home
Who say's you can't go home

I've been there, I done that
And I ain't looking back, it's been a long, long road
Feels like I've never left, that's how the story goes
Who say's you can't go home

It doesn't matter where you are, doesn't matter where
you go
If it's a million miles away or just a mile up the road
Take it in, take it with you when you go
Who say's you can't go home

Who say's you can't go back
Been around all around the world and as a matter of
fact
There's only one place left I want to go
Who say's you can't go home

It's alright, it's alright
It's alright, it's alright
It's alright, who say's you can't go home

It's alright, it's alright
It's alright, it's alright
It's alright, who say's you can't go home
