I need you boo and I see you boo  
And the heart's all over the world tonight  
Said the heart's all over the world tonight

Hey, little mama, ooh you're a winner  
Hey, little mama, yes you're a winner  
I'm so glad to be yours  
You're a class all your own and

Ooh, little cutie, when you talk to me  
I swear the whole world stops  
You're my sweetheart  
I'm so glad that you're mine  
You are one of a kind and

You mean to me  
What I mean to you and  
Together baby  
There is nothing we won't do

'Cause if I got you  
I don't need money  
I don't need cars  
Girl, you're my all

And oh, I'm into you  
Girl, no one else would do  
'Cause with every kiss and every hug  
You make me fall in love

And now I know I can't be the only one  
I bet there's hearts all over the world tonight  
With the love of their life who feel  
What I feel when I'm

With you, with you, with you, with you  
With you, girl  
With you, with you, with you, with you  
With you oh girl

I don't want nobody else  
Without you, there's no one left and

You're like Jordan's on Saturday  
I gotta have you and I cannot wait now

Hey little shawty, say you care for me  
You know I care you  
You know that I'll be true  
You know that I won't lie  
You know that I would try  
To be your everything

'Cause if I got you  
I don't need money  
I don't need cars  
Girl, you're my all

And oh, I'm into you  
Girl, no one else would do  
'Cause with every kiss and every hug  
You make me fall in love

And now I know I can't be the only one  
I bet there's hearts all over the world tonight  
With the love of they life who feel  
What I feel when I'm

With you, with you, with you, with you  
With you girl  
With you, with you, with you, with you  
With you, hey hey

And I will never try to deny  
That you're my whole life  
'Cause if you ever let me go  
I would die, so I won't front

I don't need another woman  
I just need your all or nothing  
'Cause if I got that then I'll be straight  
Baby you're the best part of my day

I need you boo, I gotta see you boo  
And the heart's all over the world tonight  
Said the heart's all over the world tonight

And oh, I'm into you  
Girl, no one else would do  
'Cause with every kiss and every hug  
You make me fall in love

And now I know I can't be the only one  
I bet there's hearts all over the world tonight

With the love of their life who feel  
What I feel when I'm

With you, with you, with you, with you  
With you girl  
With you, with you, with you, with you  
With you

With you, with you, with you, with you  
With you, hey yeah
