You're on the phone with your girlfriend, she's upset  
She's goin' off about something that you said  
'Cause she doesn't get your humor like I do

I'm in the room, it's a typical Tuesday night  
I'm listenin' to the kind of music she doesn't like  
She'll never know your story like I do

But she wears short skirts, I wear t-shirts  
She's cheer captain and I'm on the bleachers  
Dreamin' 'bout the day when you wake up and find  
That what you're lookin' for has been here the whole  
time

If you could see that  
I'm the one who understands you  
Been here all along, so why can't you  
See you belong with me?  
You belong with me

Walkin' the streets with you and your worn out jeans  
I can't help thinkin' this is how it ought to be  
Laughin' on a park bench thinkin' to myself  
Hey, isn't this easy?

And you've got a smile that could light up this whole  
town  
I haven't seen it in a while since she brought you down  
You say you're fine, I know you better than that  
Hey, what you doin' with a girl like that?

She wears high heels, I wear sneakers  
She's cheer captain and I'm on the bleachers  
Dreamin' 'bout the day when you wake up and find  
That what you're lookin' for has been here the whole  
time

If you could see that  
I'm the one who understands you  
Been here all along, so why can't you  
See you belong with me?

Standin' by and waitin' at your backdoor  
All this time, how could you not know  
Baby, you belong with me?  
You belong with me

Oh, I remember you drivin' to my house  
In the middle of the night  
I'm the one who makes you laugh  
When you know you're 'bout to cry

And I know your favorite songs  
And you tell me 'bout your dreams  
Think I know where you belong  
Think I know it's with me

Can't you see that  
I'm the one who understands you?  
Been here all along, so why can't you  
See you belong with me?

Standin' by and waitin' at your backdoor  
All this time, how could you not know?  
Baby, you belong with me  
You belong with me

You belong with me  
Have you ever thought  
Just maybe you belong with me?  
You belong with me
