I found him on the corner of 1st and Amistad
Where the west was all but won
All alone saying that we never met
I said, "Where you been?" He said, "Ask anything"

Where were you when everything was falling apart?
All my days were spent by the telephone that never rang
And all I needed was a call that never came
To the corner of 1st and Amistad

Lost and insecure, you found me, you found me
Lying on the floor surrounded, surrounded
Why'd you have to wait? Where were you? Where were you?
Just a little late, you found me, you found me

In the end everyone ends up alone
Losing her, the only one who's ever known
Who I am, who I'm not and who I wanna be
No way to know how long she will be next to me

Lost and insecure, you found me, you found me
Lying on the floor surrounded, surrounded
Why'd you have to wait? Where were you? Where were you?
Just a little late, you found me, you found me

Early morning, city breaks, I've been calling
For years and years and years and years
You got some kind of nerve taking all I want

Lost and insecure, you found me, you found me
Lying on the floor, where were you? Where were you?
Why'd you have to wait? Where were you? Where were you?
Just a little late, you found me, you found me
Why'd you have to wait to find me, to find me?
