La la la la la

La la la la la

La la la la la

La la la la la

[Verse 1]

Girl I've been all over the world

Looking for you

I'm known for taking over that on the floor

And now I am overdue

And if you listen you can hear me through the radio

In that bright white noise

What I been missing in my life

What I been dreaming of

You'll be that girl

You'll be that girl

You'll be

Everything you want so let me get up there

I'm the best dancer in the atmosphere

Show me how you dance so we can move just how you

like

[Chorus]

You make me feel that

La la la la la

You make me feel so

La la la la la

You make me feel that

La la la la la

You make me feel so

La la la la la

You, you make me feel that

[Verse 2]

Get a little closer to me girl

And you'll understand

'Cause if you want a boy that knows how to dance well

then grab my hand

And if I listen I can hear you through my radio

In that bright white noise

What I been missing in my life

What I been dreaming of

You'll be that girl

You'll be that girl

You'll be

Everything you want so let me get up there  
I'm the best dancer in the atmosphere  
Show me how you dance so we can move just how you  
like  
Ooh  
Everything you know I'm flipping upside down  
Take you 'round the world  
You know I sing it loud  
Show me how you dance so we can move just how you  
like [Chorus]  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel, oh  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel, oh  
La la la la la  
Put your hands up  
Put your hands up  
Let the lights drop  
Let the lights drop  
Make my world stop  
Make my world stop  
La la la la la  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel, oh  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel that  
La la la la la
