Maybe I need a energy drink,
Or maybe just need some sleep
I've got a sick obsession,
I'm seeing it in my dreams

I'm walking down every alley,
I'm making those desperate calls
Im staying up all night hoping,
Hit My Arm On The Wall (OWW)

What you've got boy is hard to find
Think about it all about it all the time
I'm all strung up my heart is fried
I just cant get you off my mind

Because your love, your love, your love, is my life
Your love your love your love
I said your love, your love, your love, is my life
Your love your love your love

Won't listen to any advice, mamma's telling me to think
twice
But left to my own devices i'm addicted its a crisis!

My friends think I've gone crazy, my judgment is
getting kinda crazy
My status is gonna be affected if I keep it up like a love
sick sleepy-head

Maybe I need a energy drink,
Or maybe just need some sleep
I've got a sick obsession,
I'm seeing it in my dreams

I'm walking down every alley,
I'm making those desperate calls
Im staying up all night hoping,
