[Pimp C]

Smoke somethin

I just bought me a Coupe Deville,

Took out the air bag put in a wood wheel

Now all the ATL niggas wanna jack 'cause I'm from
Texas,

Never seen candy with the fifth on the back

I'm comin down the west end, niggas tryin to jack

And bust a right Coney Island pop the trunk and started
cappin

Niggas was happenin put they Burboun to the floor
nigga

Hard to bust back but I was penetrating they doe

Nigga in PA, it's like the wild, wild west

Throwin all packed [?] and we all wear vests

When the shit pop out, who gon stunt,

Nigga ain't shootin me first I fin to pop the trunk

[UGK]

[Bun B] - These niggas keep talkin like they want the
funk

[Pimp C] - But niggas love to talk shit I fin to pop the
trunk

[Bun B] - Runnin off at they dick suckas gettin it crunk

[Pimp C] - Nigga I'm high off this weed I fin to pop the
trunk

[Bun B] - Steady frontin like a man but you show me a
punk

[Pimp C] - Man I knew he was a bitch I had to pop the
trunk

[Bun B] - All we really came to do is just smoke some
scum

[Pimp C] - These niggas steady runnin me hot I'm fin to
pop the trunk

[Celly Cel]

You niggas didn't know that I was outta control

Slow yo roll for I put this chopper straight to yo fo

Head you better off dead than to fuck around with
psycho niggas

Don't be trying to plead yo case 'cause I don't even like
no niggas

In my face, trying to question me about some drama
Only answer to two people: God and my mama
Far as niggas tryin to put me in the cross,
Let em holler at my bitch, Nina Ross hoe house boss
I bet you mind somethin in, run and tell a friend
[?] on the Gin, I think he said "trippin" once again
It ain't no stoppin me, get at me then I'm dumpin on ya,
Ridin past yo funeral hangin out the window slumpin on
ya
You didn't know, they didn't tell you boy you betta listen
While I shoot this shit before you put yourself in that
position
Niggas that know me know I specialize in havin bump
You can have the tailway from the shovel so we can pop
the trunk
[Bun B] - These niggas keep talkin like they want the
funk
[Pimp C] - Man 'cause his bitch chose me I fin to pop the
trunk

[Pimp C] - 'cause I'm fuckin yo gal I got to pop the trunk
[Bun B] - Steady frontin like a man but you show me a
punk
[Pimp C] - Nigga tried to jack my car I had to pop the
trunk
[Bun B] - All we really came to do is just smoke some
scum
[Pimp C] - Smokin at the tittie bar I had to pop the trunk

[Bun B]
Under Cali's blue skies, smokin on chronicles and
chocolate ties
Even when we tell the truth, the hoes we lies,
Man ain't no disguise, doin ninety week flies,
Ain't got no time for middle men and small fries,
Only money conversation and big thighs,
Let me talk to your boss man, the nigga wit the pies,
And back yo ass up and don't act so surprised,
When pistols start to cock, hands start to rise,
Nobody move too fast I advise,
Or you can catch a hot one right between ya eyes,
Recognize I done set me sights on the prize,
And put lights out with boom fifty bye, bye's,
I'm labeling my life off of rap and weed highs,
And ask my agent bout my fuckin shoe size.,
But fuckin wit us ain't wise,
We get crunk, we came to pop the trunk
What, the trunk

[Bun B] - These niggas keep talkin like they want the
funk

[Pimp C] - I knew he was the police I had to pop the trunk
[Bun B] - Runnin off at they dick suckas gettin it crunk
[Pimp C] - Man I'm sippin on [?] poppin the trunk
[Bun B] - Steady frontin like a man but you show me a punk
[Pimp C] - [?][?][?] I had to pop the trunk
[Bun B] - All we really came to do is just smoke some scum
[Pimp C] - To make it, make it crunk I had to pop the trunk

[Pimp C]
I know that they some bitches had to pop the trunk
California to Texas poppin the trunk
UGK and Celly Cel we bout to pop the trunk
Sippin on Hennessy [?] I fin to pop the trunk, bitch
Smoke somethin,
D time, PA, uh, '97
