Murder one, motherfuckers call it Re drum
Doin' niggaz in and let them shells pile up
From dumpin' on these niggas in my motherfuckin'
face
I breaks 'em off a taste of that Ciggety Cel and Spice

Gettin' it on like Marvin Gaye
I'll meet you by the motherfuckin' dock of the East Bay
(Blew)
Kill 'em off like this, ba-da-ba-ba-ba-bye
Them slugs couldn't spill me, them niggaz shoulda
killed me
Now I wanna know who they are
When I put some slugs in them niggaz kill 'em off in
they car

You see, they can't fuck around with niggas who's so
quick to blast
So quick to put these slugs up in your ass
They be a hundred miles and runnin' when they see me
comin'
Bringin more funk than the pussy on a yeast infected
woman
So kick the flow, you see a nigga stompin' with that 'H'
on my back
Choppin' these fools in half with my Mack

Mass motherfuckin', murder they ain't breathin'
That niggas wheezin', hot slugs got him freezin'
Coughin' and he's soundin' like he got a cold
But he's chokin' off that Redrum, whole fuckin' body
numb

Redrum leave your body numb, blast dum-da-dum-
dum
Retaliation is a must where I'm from
Redrum leave your body numb, blast dum-da-dum-
dum
Drinkin' Redrum 'cuz I'm 187 proof

Redrum leave your body numb, blast dum-da-dum-
dum

Retaliation is a must where I'm from
Redrum leave your body numb, blast dum-da-dum-
dum
Drinkin' Redrum 'cuz I'm 187 proof

(Blaaw)
Murder in the first and shit
Beat a nigga dead body with the pistol grip, playa
Spice 1 often shoots, kickin' knocked out niggas
In the head with boots
I got my mothafuckin' choppa, pop a cap, in your ass

'Cuz you can't stop a psychopathic motherfuckin' nut
Snatch all your fuckin' guts
Leave your ass in a ditch all opened up
Kickin' the tales of the niggaz who got crept on
Blow out his fuckin' brains 'cuz I was slept on

Now I'm posted with a chopper in my coat full of
Hennessey
Fixin' to let my 40 spit out thirty-two when I see
These niggas that wanna test a playa swingin' from my
nuts
Pull my mighty Mack and let the street sweeper sweep
him up
The only thing I leave behind is casings on the ground

Lookin' for the snitches on the block so I can buck 'em
down
I get's my clown with every round that I let fly
Trigger happy niggy in the hood, die nigga die
Funk for life, when they smoke me that's when I'm done
So take a sip of this red motherfuckin' rum

Redrum leave your body numb, blast dum-da-dum-
dum
Retaliation is a must where I'm from
Redrum leave your body numb, blast dum-da-dum-
dum
Drinkin' Redrum 'cuz I'm 187 proof

Redrum leave your body numb, blast dum-da-dum-
dum
Retaliation is a must where I'm from
Redrum leave your body numb, blast dum-da-dum-
dum
Drinkin' Redrum 'cuz I'm 187 proof

Call me the Undertaker, call me the casket closer
Fillin' niggas up with lead like they fill Shwisher's up
with doja

At the graveyard countin' the bodies I left in the mud
I break 'em off, ain't nothin' but buckin' till they spittin'
blood
But niggas don't feel me, they wanna kill me
But these fools don't know me, I rolls them like a blunt

Fill 'em with slugs and bury them slowly
Infrared beam gleam, he's dead on the scene, shot in
the spleen
Got two in the chest, he's off the scene
It's C-Celly Cel and Spice 1 sp-splittin' wigs
It's murderin' so some of that Redrum come take a
swig
(Blaaw)

These motherfuckin' nuts if you wanna murder me
Harder to kill than your average motherfuckin' 'G'
Put a cap up in that ass, nigga with a gat that's quick to
blast
Raisin' up outta the funk with a chrome four four
And a black ski mask
Killin' for the cash, mobbin' that ass
When so many of these gang buckshots shatter my
glass

Mashed on the block and I kept on bustin'
Gotta let them know I'm not no Midnarc
Put it up in Piznark and let my A.K. Biznark, beitch
Killin' off niggas in the diznark
You ever seen what a bullet can do to flesh
Just call me Messy Marvin, leaves a mess

Redrum leave your body numb, blast dum-da-dum-
dum
Retaliation is a must where I'm from
Redrum leave your body numb, blast dum-da-dum-
dum
Drinkin' Redrum 'cuz I'm 187 proof

Redrum leave your body numb, blast dum-da-dum-
dum
Retaliation is a must where I'm from
Redrum leave your body numb, blast dum-da-dum-
dum
Drinkin' Redrum 'cuz I'm 187 proof

Redrum leave your body numb, blast dum-da-dum-
dum
Retaliation is a must where I'm from
Redrum leave your body numb, blast dum-da-dum-
dum

Drinkin' Redrum 'cuz I'm 187 proof

Redrum leave your body numb, blast dum-da-dum-
dum

Retaliation is a must where I'm from

Redrum leave your body numb, blast dum-da-dum-
dum

Drinkin' Redrum 'cuz I'm 187 proof
