Sometimes I wanna be normal, sometimes I wanna be famous,
Sometimes I f*ck with my girl and I like to play with the aimer
Sometimes she call me an asshole, how ironic,
Sometimes think IÂ'm a bad soul, function and alcoholic,
With nothing up in my wallet, this thing should I have you fallin
ThereÂ's nothing that you stand for, never you the man more,
Lime line never ran fall,... grumble the all,
Scream out flow no more but dough,... skim my tumble on,
Lying get my jungle on, my cut this strong, my blunts loud,
Bitches loud, IÂ'm lacking proud, ran the town,
School this niggas no kept and yawn,
Really what we here for, a couple hoes,
... sip champagne to the clubbest close,
Nigga tweet line he stunt Joe, really ainÂ't stuntin nothing no
You just out here bullshits and smoking on this khali strong,
Cricking with this... pidgin,
Yolo, yolo, these young girls on that yolo,
I donÂ't mind to do get drunk, but donÂ't swear on my polo,
You ainÂ't never been my girl so donÂ't guess me in photos,
Khali said IÂ'm with that leanin and IÂ'm your oh no,
ThereÂ's a broke road with a boat low in the photowhat a...

Bouncing like some low proast,
If youÂ're trying to get these low ghost,
Flow is on that cucu, my girl is simple coco,
These neighbors sign that... , the verse is on that no doz, no doz

The party just begin, drop a couple girls and tell em

bring a friend
We off the apple juice and jean and he complete the...
now it's time to get it in

I rap really really well
Don't believe, you can go to hell
Prayer poll off at the wish and well,
You a bitch type nigga wanna kiss and tell
Me and four hoes... I got blood no pops, no macio
Ran the... the anotourage no...
Cooler than the AC blood.

The party just begin, drop a couple girls and tell em
bring a friend
We off the apple juice and jean and he complete the...
now it's time to get it in

If this is your first time, here ran that you all bout
To experience the incredible...
Greetings to the bare wagging, I've been the shit,
Not that skin pan sagging on that... shit
Oh man I own land, I own label my own fans,
My own plan, my own brand brought to the table,
In this rap you can get Versace's so,
To get a spot, I just look aside myself
Lord willin' I will never have to find no help,
No contracts nigga I just sign myself,
Internet kill the radio, we shoot the radio and really
claiming y'all.

The party just begin, drop a couple girls and tell em
bring a friend
We off the apple juice and jean and he complete the...
now it's time to get it in
