Last night I was drunk  
I don't remember much  
But what I do constant pictures  
Thats how going I was  
But he was tall and he was buying  
So I gave him a trying  
Said he was like a stallion  
And the man wasn't lying

Last I remember I was face down  
Ass up, clothes off, broke off, dozed off  
Even though I'm not sure of his name  
He could get it again if he wanted  
Cause the sex was spectacular  
The sex was spectacular (yaaaah)  
The sex was spectacular  
The sex was spectacular

So it was the morning after  
I couldn't get home faster  
Doing the walk of shame  
In the same clothes from yesterday  
I think he pulled a track out  
When he was blowing my back out  
What was I drinking  
I cant believe I blacked out

Last I remember I was face down

Ass up, clothes off, broke off, dozed off  
Even though I'm not sure of his name  
He could get it again if he wanted  
Cause the sex was spectacular  
The sex was spectacular (yaaaah)  
The sex was spectacular  
The sex was spectacular

You can say what you want but  
You can call me a slut but  
What he did to me last night felt so good  
I must have been on drugs  
I hope he used a rubber

Or I'mma be in trouble  
Promise I don't remember  
Except for  
Give it to me, give it to me  
Ooh baby what a ride ride  
Oh ride ride  
So smooth like it beats  
I like the heat  
Ooh baby what a night night  
Right right

Cause the sex was spectacular  
The sex was spectacular (yeaaaah)  
The sex was spectacular  
The sex was spectacular
