Time doesn't heal the wounds that I feel  
And believe me it hurts now I know that your words and  
your? act? is unreal  
Time doesn't heal  
Time doesn't heal

In the back row,? you remain?  
Personality in vain  
Time doesn't heal  
Time doesn't heal

I don't understand the direction you went  
But I'm sure you will learn that there is no return to the  
place you have? planned?

Time doesn't heal  
Time doesn't heal

In the back row,? you remain?  
Personality in vain  
Time doesn't heal  
Time doesn't heal

Time doesn't heal  
Time doesn't heal  
Time doesn't heal  
Time doesn't heal
